Please note the following:

1. The information contained within this form will be forwarded to an AROC FIM Master Trainer prior to the FIM Facility Training workshop to be reviewed.
2. Where you do not meet all of the necessary Facility Trainer criteria, an outline of relevant training experience (eg. first aid training, wound management training or a community leadership position) and experience using FIM will be considered by AROC and you may be deemed suitable to attend the FIM Facility Training workshop.
3. Attendance at a FIM Facility Training workshop does not automatically guarantee you Facility Trainer Status.
   There are three possible outcomes of attending the Facility Trainer session
   ▪ Full Facility Trainer status awarded
   ▪ Probationary status awarded - the Probationary process will be explained on the day
   ▪ Not yet competent – recommendations will be made about how to continue in the process of becoming a facility trainer
4. Your level of FIM knowledge and ability to present a FIM training session will be assessed on the day of the facility training workshop by an AROC FIM Master Trainer.
5. You will be expected to actively participate in the Facility Training workshop and to present part of the workshop to other participants.
6. Following successful completion of training, you will be expected to present a FIM training session at your organisation within 3 months of becoming a FIM Facility Trainer.
7. You will also be expected to present at least one FIM training session in your organisation each year.
8. You will undertake a refresher Facility Trainer Training workshop run by an AROC Master Trainer every four years. Please note this Facility Trainer refresher session is a face to face session.

2. I understand that AROC will provide me with information about the outcome of the FIM Facility Training workshop following the session.
3. I understand that, if required, our organisation may need to fund a follow-up session with an AROC Master Trainer or experienced existing FIM Facility Trainer.
4. If successful, I will support the applicant to run a training session with 3 months of completing the FIM Facility Training workshop, and then run a training session at least once per annum.

I support my staff member to attend the FIM Facility Training workshop and agree to the notes above.
