The PCOC Fundamentals Workshop is an interactive program designed to enhance knowledge of PCOC, the assessment tools and the use of PCOC in your palliative care service.

Target Audience:
• Clinicians who are new users of the PCOC assessment tools
• Clinicians implementing PCOC into routine clinical practice

Learn About:
• Assessing the Phase of Illness
• Assessment tools for symptom and functional assessment
• Assessment data, what it tells us and how to use it
• Barriers & strategies for integrating PCOC assessments into practice
• Content of Patient Outcome Reports
• Outcome Measures and Benchmarks

Where: UOW Sydney Business School, Lecture room 7, level 18, Gateway Building, 1 Macquarie Place, Circular Quay, Sydney ph. 9266 1300
When: Thursday 12 March 2015
