PCOC Fundamentals

This education activity attracts 5 hours of Continuing Professional Development, as per the College of Nursing Program

The PCOC Fundamentals Workshop is an interactive program designed to enhance knowledge of PCOC, the assessment tools and the use of PCOC in your palliative care service.

Target Audience:
- Clinicians who are new users of the PCOC assessment tools
- Clinicians implementing PCOC into routine clinical practice

Learn About:
- Assessing the Phase of Illness
- Assessment tools for symptom and functional assessment
- Assessment data, what it tells us and how to use it
- Barriers & strategies for integrating PCOC assessments into practice
- Content of Patient Outcome Reports
- Outcome Measures and Benchmarks

Where: Cancer Council Queensland
553 Gregory Terrace
Fortitude Valley, Brisbane

When: Wednesday 22 June 2016

Time: 9.00am – 4.00pm
