National Palliative Care Program

Where to next

Andy Paras

Assistant Director – Palliative Care Section
Ageing and Aged Care
July 2008
Under New Management!!!

• an end of financial year offer we couldn’t refuse
• a move from the Population Health Division to Ageing and Aged Care

  – palliative care is for all ages
  – our ageing, expanding population places greater stress on service delivery
National Palliative Care Strategy

A National Framework for Palliative Care Service Development

October 2000
The National Palliative Care Program

Priority Areas

1. Support for patients, families and carers in the community

2. Increased access to palliative care medicines in the community

3. Education, training and support for the workforce

4. Research and quality improvement for palliative care services
