australian health services
research institute

Dr Ian Maidment

Getting your work published

Date and Location

Dr Ian Maidment

Thursday 27 July 2016

AHSRI Training Room

11:00am – 12:00pm

Dr Ian Maidment is an academic from Aston University in the UK currently working with IHIP.

He is an experienced researcher, manager and clinician with a broad research background including working within multi-disciplinary international teams. Experienced in aspects of management including strategic planning, knowledge management, team development, change management and administration, from both a public sector and commercial environment.

Ian's presentation gives an overview of the publication process and is designed for someone new to the publication of academic papers. It covers what to publish, how to choose your journal, the peer review process and how to successfully navigate the process.
